### Independent Auditor's Report

#### Report on the Audit of the Financial statements

#### Opinion

We have audited the accompanying financial statements of M/s. EMDI (Overseas) FZ - LLC, DDA, Dubai - UAE, UAE which comprise the statement of financial position as at 31st March 2022, and the statement of profit or loss and other comprehensive income, statement of changes in equity and statement of cash flows for the year ended 31st March 2022, and a summary of significant accounting policies and other explanatory information.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the Company as at 31st March 2022, and its financial performance and its cash flows for the year then ended in accordance with International Financial Reporting Standards (IFRS).

#### Basis of Opinion

We conducted our audit in accordance with International Standards on Auditing (ISAs). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the audit of the Financial statements section of our report. We are independent of the Company in accordance with the ethical requirements that are relevant to our audit of the financial statements in, and we have fulfilled our ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

#### Responsibilities of Management and Those Charged with Governance ("TCWG") for the Financial statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with International Financial Reporting Standards, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, Management is responsible for assessing the company ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of Accounting unless management either intends to liquidate the company or to cease operations or has no realistic alternative but to do so.

Those Charged with Governance are responsible for overseeing the Company's financial reporting process.

### **Auditors' responsibilities for the Audit of the Financial statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error and to issue an Audit Report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered to be material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an Audit in accordance with ISAs, we exercise professional judgment and maintain professional skepticism throughout the Audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control.
- Obtain an understanding of internal control relevant to the Audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosure made by management.

- Conclude on the appropriateness of management 's use of going concern basis of Accounting and based on the audit evidence obtained, whether material uncertainty exists related to events or conditions that may cast significant doubt on the company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our Auditors Report. However, future events or conditions may cause the company to cease to continue as a going concern.
- Evaluate the Overall presentation, structure and content of the financial statements including the disclosures, and whether the financial statements represent the underlying transaction's and events in a manner that achieves fair presentation.

We communicate with management and those charged with Governance regarding, among other matters, the planned scope and timing of the Audit and significant audit findings, including any significant deficiencies in internal control that were identify during the Audit.

#### Report on the Legal and Regulatory Requirements

Further, as required by the UAE Federal Commercial Companies Law No. 2 of 2015 (as amended), Dubai Development Authority is a Dubai Government entity established and named pursuant to Law No. 15 of 2014 and Law No 10 of 2018, we report that:

- i. the company has maintained proper books of accounts;
- ii. we have obtained all the information we considered necessary for the purposes of or audit;
- iii. the financial information included in the directors' report is in consistent with the books of accounts of the Company;
- iv. Further, based on the information made available to us, nothing has come to our attention which causes us to believe that the Company has contravened during the financial year ended 31st March 2022 of the above mentioned laws and its Articles of Association which would materially affect its activities or its financial position as at 31st March 2022.

**2. Application of new and revised International Financial Reporting Standards (IFRS)**

**2.1 New and revised IFRSs effective for accounting years beginning on or after 01<sup>st</sup> January 2021:**

The following new and revised IFRSs which became effective for the annual years beginning on or after 01<sup>st</sup> January 2021 have been adopted in these financial statements.

*EMDI (Overseas) FZ - LLC*  
 DDA, Dubai - UAE.

<u>New and revised IFRSs</u>	<u>Summary of requirements</u>
<p>IAS 1 – Presentation of Financial Statements</p> <p>Effective January 1, 2011, earlier application is permitted. The amendments are effective for annual periods beginning on or after January 1, 2023. Earlier application is permitted.</p>	<p>IAS 1 "Presentation of Financial Statements" sets out the overall requirements for financial statements, including how they should be structured, the minimum requirements for their content and overriding concepts such as going concern, the accrual basis of accounting and the current/non-current distinction. The standard requires a complete set of financial statements to comprise a statement of financial position, a statement of profit or loss and other comprehensive income, a statement of changes in equity and a statement of cash flows.</p>
<p>IAS 8 – Accounting Policies, Changes in Accounting Estimates and Errors</p> <p>Effective January 1, 2011, earlier application is permitted. The amendments are effective for annual periods beginning on or after January 1, 2023. Earlier application is permitted.</p>	<p>IAS 8 "Accounting Policies, Changes in Accounting Estimates and Errors" is applied in selecting and applying accounting policies, accounting for changes in estimates and reflecting corrections of prior period errors. The standard requires compliance with any specific IFRS applying to a transaction, event or condition, and provides guidance on developing accounting policies for other items that result in relevant and reliable information. Changes in accounting policies and corrections of errors are generally retrospectively accounted for, whereas changes in accounting estimates are generally accounted for on a prospective basis.</p>
<p>IAS 16 – Property, Plant and Equipment</p> <p>Effective for interim and annual financial statements relating to fiscal years beginning on or after January 1, 2011, earlier application is permitted. The amendments are effective for annual periods beginning on or after January 1, 2022. Early application is permitted.</p>	<p>IAS 16 "Property, Plant and Equipment" outlines the accounting treatment for most types of property, plant and equipment. Property, plant and equipment is initially measured at its cost, subsequently measured either using a cost or revaluation model, and depreciated so that its depreciable amount is allocated on a systematic basis over its useful life.</p>
<p>IAS 37 – Provisions, Contingent Liabilities and Contingent Assets</p> <p>Effective for interim and annual financial statements relating to fiscal years beginning on or after January 1, 2011, earlier application is permitted. The amendments are effective for annual periods beginning on or after January 1, 2022. Early application is permitted.</p>	<p>IAS 37 "Provisions, Contingent Liabilities and Contingent Assets" outlines the accounting for provisions (liabilities of uncertain timing or amount), together with contingent assets (possible assets) and contingent liabilities (possible obligations and present obligations that are not probable or not reliably measurable).</p>

**EMDI (Overseas) FZ - LLC**  
DDA, Dubai - UAE.

<p>IFRS 16 – Leases</p> <p>The amendment is effective for annual reporting periods beginning on or after 1 April 2021</p>	<p>On 31<sup>st</sup> March 2021, IASB Published COVID 19 Related Rent Concessions beyond 30 June 2021(Amendment to IFRS 16) that extends by one year, the May 2020 amendment that provides lessees with an exemption from assessing whether a COVID - 19 related rent concession is a lease modification.</p>
<p>IAS 41 – Agriculture</p> <p>Effective for interim and annual financial statements relating to fiscal years beginning on or after January 1, 2011, earlier application is permitted. The amendments are effective for annual periods beginning on or after January 1, 2022. Early application is permitted.</p>	<p>IAS 41 "Agriculture" sets out the accounting for agricultural activity - the transformation of biological assets (living plants and animals) into agricultural produce (harvested product of the entity's biological assets). The standard generally requires biological assets to be measured at fair value less costs to sell.</p>
<p>IFRS 1 – First-time Adoption of International Financial Reporting Standards</p> <p>Effective for interim and annual financial statements relating to fiscal years beginning on or after January 1, 2011, earlier application is permitted. The amendments are effective for annual periods beginning on or after January 1, 2022. Early application is permitted.</p>	<p>IFRS 1 "First-time Adoption of International Financial Reporting Standards" sets out the procedures that an entity must follow when it adopts IFRS for the first time as the basis for preparing its general purpose financial statements. The IFRS grants limited exemptions from the general requirement to comply with each IFRS effective at the end of its first IFRS reporting period.</p>
<p>IFRS 3 – Business Combinations</p> <p>Effective for interim and annual financial statements relating to fiscal years beginning on or after January 1, 2011, earlier application is permitted. The amendments are effective for annual periods beginning on or after January 1, 2022. Early application is permitted if an entity also applies all other updated references (published together with the updated Conceptual Framework) at the same time or earlier.</p>	<p>IFRS 3 "Business Combinations" outlines the accounting when an acquirer obtains control of a business (e.g. an acquisition or merger). Such business combinations are accounted for using the 'acquisition method', which generally requires assets acquired and liabilities assumed to be measured at their fair values at the acquisition date.</p>
<p>IFRS 17 – Insurance Contracts</p> <p>The IASB tentatively decided to defer the effective date of IFRS 17, Insurance Contracts to annual periods beginning on or after January 1, 2022. [The IASB has also published 'Extension of the Temporary Exemption from Applying IFRS 9 (Amendments to IFRS 4)' to defer the fixed expiry date of the amendment also to annual periods beginning on or after January 1, 2023.]</p>	<p>IFRS 17 establishes the principles for the recognition, measurement, presentation and disclosure of insurance contracts within the scope of the standard. The objective of IFRS 17 is to ensure that an entity provides relevant information that faithfully represents those contracts. This information gives a basis for users of financial statements to assess the effect that insurance contracts have on the entity's financial position, financial performance and cash flows.</p>

**2.2 New and revised IFRSs in issue but not effective:**

The Company has not yet applied the following new and revised IFRSs that have been issued but are not yet effective:

<b>New and Revised IFRSs</b>	<b>Effective for annual years beginning on or after</b>
IFRS 1 First Time Adoption of International Financial Reporting Standards	01 <sup>st</sup> January 2022
IFRS 3 Business Combinations	01 <sup>st</sup> January 2022
IAS 1 - Presentation of Financial statements	01 <sup>st</sup> January 2023
IAS 16 - Property, Plant & Equipment	01 <sup>st</sup> January 2022
IAS 37 - Provisions, Contingent Liabilities & Contingent Assets	01 <sup>st</sup> January 2022

Management anticipates that these new standards, interpretations and amendments will be adopted in the Company's financial statements as and when they are applicable and the adoption of these new standards, interpretations and amendments may have no material impact on the financial statements of the Company in the year of initial application.

**3. Significant Accounting Policies**

**Basis of Preparation**

These financial statements have been prepared in accordance with the International Financial Reporting Standards (IFRS) issued by the International Accounting Standards Board (IASB), Interpretations issued by the International Financial Reporting Interpretations Committee (IFRIC) and applicable rules and regulation of the UAE Law and DDA rules and regulations. The significant accounting policies, which have been applied, are set out below:

**a) Going concern basis of accounting**

The financial statements have been prepared on a going concern basis, which assumes that the Company will be able to meet the mandatory repayment terms.

*EMDI (Overseas) FZ - LLC*  
DDA, Dubai - UAE.

**b) Application of IFRS 9 Financial Instruments**

The Company has adopted IFRS 9 effective from 1 January 2018. IFRS 9 replaces IAS 39 and addresses the accounting for financial instruments including hedge accounting. IFRS 9 contains three principal classification categories for financial assets: measured at amortised cost, FVTOCI and FVTPL. IFRS 9 classification is generally based on the business model in which a financial asset is managed and its contractual cash flows. The business model assessment was completed based on the facts and circumstances which existed at the initial date of application. IFRS 9 eliminates the existing IAS 39 categories of held-to-maturity, loans and receivables and available-for-sale. Under IFRS 9, derivative embedded contracts where the host is a financial asset in the scope of IFRS 9 are never bifurcated. Instead, the whole hybrid instrument is assessed for classification.

The requirements for classification and measurement of financial liabilities under IFRS 9 are largely as existing under IAS 39.

IFRS 9 replaces the “incurred loss” model under IAS 39 with “expected credit loss” model as it relates to the impairment of financial assets. The new impairment model does not apply to equity investments.

IFRS 9 amends the requirements for hedge effectiveness and consequently the application of hedge accounting. The IAS 39 effectiveness test is replaced with a requirement for an economic relationship between the hedged item and the hedging instrument, and for the “hedged ratio” to be the same as that used by the Company for risk management purposes.

The new standard requires alignment between the risk management objective of an individual hedging relationship and the risk management strategy of the Company. When assessing hedge effectiveness under IFRS 9, the Company is required to ensure credit risk due to counterparty or own creditworthiness does not dominate the change in fair value of either the hedged item or the hedging instrument. Generally, the mechanics of hedge accounting remain unchanged.

***EMDI (Overseas) FZ - LLC***

DDA, Dubai - UAE.

***Impairment of financial assets***

The Company has financial assets under “accounts and other receivables” that are subject to the expected credit loss model under IFRS 9. The Company has applied the simplified approach to measuring the expected credit losses which uses lifetime expected loss allowance for all trade receivables and financial investments. To measure the expected credit losses, trade receivables have been grouped based on similar credit risk characteristics and days past due. The revised impairment methodology has not resulted in additional credit loss in trade receivables and financial investments.

Changes in accounting policies resulting from the adoption of IFRS 9 have been applied retrospectively. However in accordance with transition provisions under IFRS 9, the Company has elected not to restate the comparative years.

**c) Accounting Convention:**

These financial statements have been prepared under the historical Cost convention. The accounting policies have been consistently applied by the Company.

**d) Revenue recognition:**

Income is recognized when it is earned, not necessarily when received. Expenses and charges have been recognized when it was incurred, not necessarily when paid.

***Revenue from contracts with customers***

IFRS 15 Revenue from Contracts with Customers outlines a single comprehensive model of accounting for revenue arising from contracts with customers and supersedes current revenue recognition guidance found across several Standards and Interpretations within IFRSs.

It establishes a new five-step model that will apply to revenue arising from contracts with customers.

**Step 1:** Identify the contract with a customer.

**Step 2:** Identify the performance obligations in the contract.

**Step 3:** Determine the transaction price.

**Step 4:** Allocate the transaction price to the performance obligations in the contract.

**Step 5:** Recognize revenue as and when the Company satisfies a performance obligation.

DDA, Dubai - UAE.

**e) Leases:**

IFRS 16 supersedes IAS 17 Leases, IFRIC 4 Determining whether and Arrangement contains a Lease, SIC - 15 Operating Leases - Incentives and SIC - 27 Evaluating the Substance of Transactions Involving the Legal Form of a Lease. The standard sets out the principles for the recognition, measurement, presentation and disclosure of leases and requires lessees to account for all leases under a single on-balance sheet model.

The Company also elected to use the recognition exemptions for lease contracts that, at the commencement date, have a lease term of 12 months or less and do not contain a purchase option and lease contracts for which the underlying asset is of low value.

**f) Other Income**

Other Income is recognized on an accrual basis or when the Company's right to receive payment is established.

**g) Property, Plant & Equipment:**

Property, Plant & Equipment is stated at historical cost less accumulated depreciation and identified impairment loss, if any. The cost comprises of purchase price, levies, duties and any directly attributable costs of bringing the asset to its working condition. The cost of property, plant & equipment is depreciated using the Straight Line Method basis over their estimated useful economic lives as follows:

- Furniture & Fittings : 5 Years
- Motor Vehicles : 5 Years
- Hardware & Software : 5 Years

The Carrying value of Property, Plant & Equipment is viewed for impairment when events or changes in circumstances indicate the carrying value may not be recoverable. If any such indication exists and where the carrying value exceed the estimated recoverable amount, the assets are written down to their recoverable amount, being the higher of their fair value less costs to sell and their value in use.

Gains and losses on disposal of property, plant and equipment are determined by reference to their carrying amount and are taken into account in determining net profit.
